INSTALLATION INSTRUCTIONS

1.

2.

3.

4.

Please read all of the instructions and look at the pictures before attaching the ProClip.

1. Open the door on top of the dashboard. Use the enclosed alcohol pad to clean the area where the ProClip is to be installed. Peel of the adhesive tape cover on the ProClip. Place the lower angled edge of the ProClip under the padded part of the dash top.

2. Press the upper part of the ProClip forward until the J-shaped angled edge on the top hooks over the dash edge where the dash door is open.

3. Make certaom the ProClip goes into the seam between the dash top and the inside tray of the box. The door on top of the dash should close easily.

4. The ProClip is in place.
